Dear Matt,

Thank you!
Matt

On behalf of Great Rivers United Way and our community, we would like to thank you and the employees of Tri-State Ambulance for joining the ranks of elite companies this year and participating in United Way's Pacesetter campaign.

As this year's Campaign Co-Chairs, we knew a \$2,000,000 campaign goal was an ambitious task to take on. Because of the outstanding campaigns of our Pacesetter Companies, we have already received \$588,135.33, or 29.4% of our goal and the donations continue to come in.

Thank you for your effort, passion and commitment to Great Rivers United Way and the people of our community. We have lived in this community for thirty years and have loved all thirty years, but never did we imagine that our community's generosity would reach these levels.

As circumstances in our community continue to change we know that more people will be served than ever before. Because of your generosity, individuals, children, families, and the elderly will know that they have a chance at a good life thanks to United Way.

Thank you for all that you have done for our community and for all that you will do in the future. We will never forget your generosity

Sincerely,
