Dear Matt,

Thank you for your continued support of the La Crosse Area Family YMCA through your generous sponsorship of the YMCA Maple Leaf Road Races on Saturday, September 27<sup>th</sup>. This was our 9<sup>th</sup> year hosting this event for the community and it was a huge success. More than 1500 children and adults came out to run or walk in one of the days events making it our largest event to date!

Not only did we set a record this year for number of participants, but we also set a record for dollars raised for our Strong Kids Campaign. Specifically, the proceeds from the Maple Leaf Road Races go towards supporting life-changing programs for youth in our community, as well as help to provide financial support to those families and children who would not otherwise be able to afford YMCA memberships and/or programs.

Thank you once again for being a part of this great community event and for your continued support of the La Crosse Area Family YMCA. We look forward to working with you on next year's event.

Sincerely,

Alison Huppert  
Director of Program Operations
