Dear Matt,

Recently, we had the pleasure of announcing to the community that our local Great Rivers United Way surpassed its annual campaign goal. A total of \$1,875,684.85 was raised in our community for the 2007-2008 campaign. As the Campaign Co-Chairs, we want to personally thank you and the generosity of your employees for contributing \$2184 to our campaign.

United Way gives certificates based on employee campaigns. This year, we are happy to present the employees of Tri State Ambulance with the Bronze and First Time Awards. This means that your employees ran a first time employee campaign and you had 50-64% employee participation or \$25-49 per capita in giving.

We encourage you to display your award prominently as a visible sign of your leadership in our community, as well as our Community Partners sign. Your award is also listed in the Great Rivers United Way Annual Report. If you are interested in a copy please contact Teri Booth at 796-1400 or tbooth@greatriversunitedway.org.

Your gift is being invested in our 30 Member Agencies, where it will help thousands of individuals and families, one at a time. Many people in our area don't realize there are individuals in our community who go hungry every day. **Your gift to the United Way will help feed them.** There are people in our community who need a warm place to stay. **Your gift will provide them shelter.**

On behalf of all of the people who will directly benefit from your gift, *thank you* for your generosity.

Regards,
