

# What are you **REALLY** looking for in your EMS career?

Due to recent service expansion and several promotions, **Tri-State Ambulance, Inc.**, located in the beautiful Coulee Region of La Crosse, Wisconsin has immediate full and part-time paramedic openings.

## **Are you looking for...**

### **Flexible Scheduling?**

Tri-State's core schedule is a 24/48 with additional day shifts available and a very liberal paid time off accrual program. Our scheduling practices allow you split shifts for maximum flexibility.

### **Outstanding Benefits?**

Our benefit package includes full medical, dental, vision, life and disability insurance along with a self-directed 401k program with company match. We also offer reimbursement for advanced certification and re-certification.

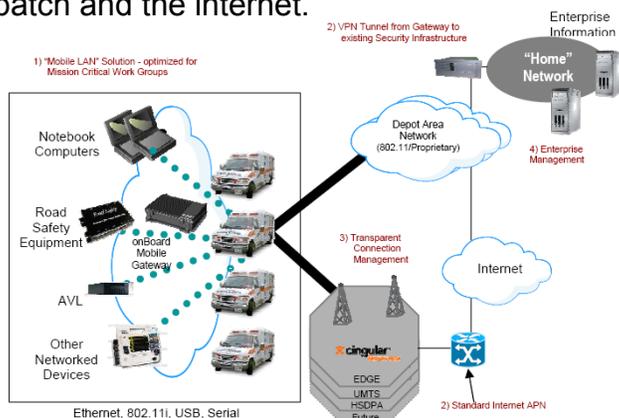

### **The Ability to Explore the Depth of Your Paramedic Skills?**

Tri-State's protocols are among one of the most progressive and liberal in the nation. CPAP, RSI, Cricothyroidotomy, and our SCT Medics administer norepinephrine, nitroprusside, tPA infusions, insulin and more. Our 2,200 square mile service area and diverse call volume allows you the opportunity to really see the results of the medical care you deliver to your patients. 73% of Tri-State's responses are "9-1-1." The remaining 27% include a large percentage of Specialty Critical Care Transports to area medical centers.

### **Use of Evolving Technology?**

Our field patient care reporting is done on touch-screen Tough Book TabletPCs which are synchronized with our dispatch center to facilitate ease and accuracy of patient care reporting. We are also implementing ambulance based 802.11 technology allowing real-time connections to dispatch and the internet.
